

Shadow Spy Pollinators!

Grade: Pre-K

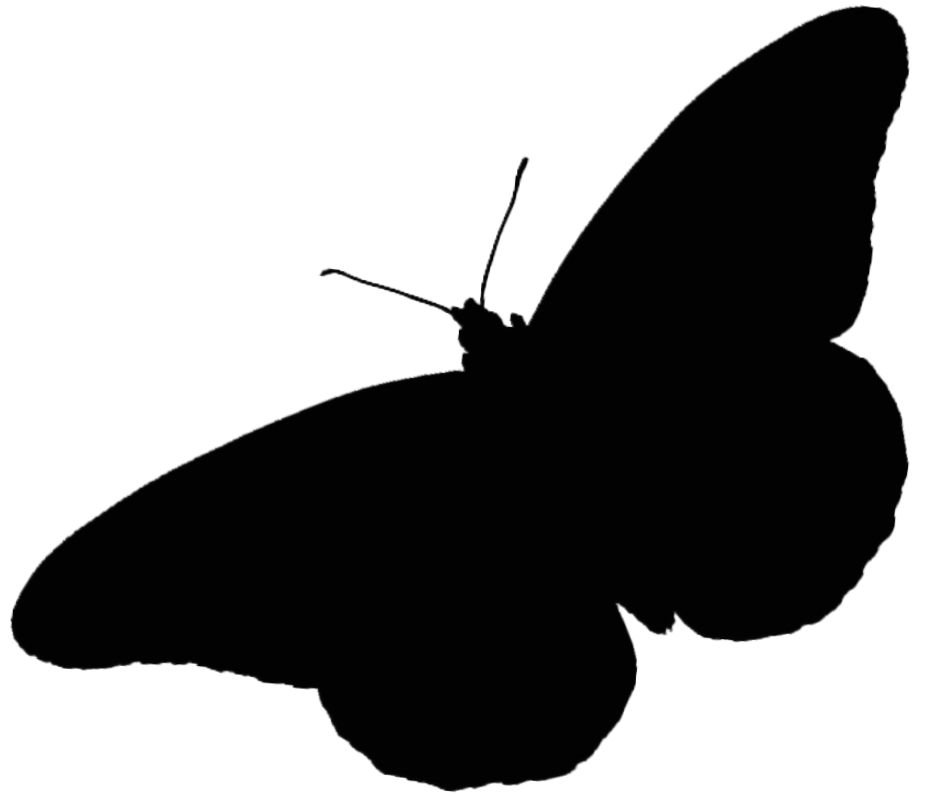

Objective: Match the pictures of different pollinators with their shadows

Instructions: Cut out the pictures of pollinators on pages 2 and 3. Lay out pages 4 and 5 and instruct the kids to match the cut-outs with the respective shadow. For bonus points, ask them to name each animal as they match them! (Answer sheet on page 6)

Answer Sheet

Did you know all these types of animals could be pollinators?!

Butterfly

Bee

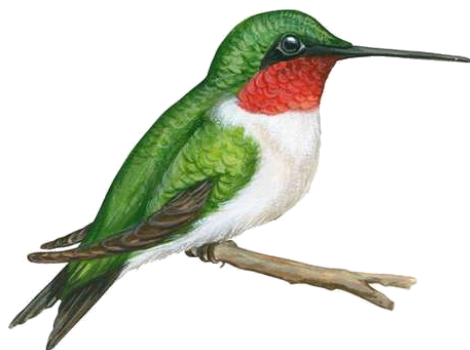

Beetle

Wasp

Moth

Hummingbird

Fly
