

# NATIVE POLLINATOR-FRIENDLY SHRUB SPECIES

See full Recommended Species List for value to pollinators,  
flowering months, & local suppliers.

\*evergreen species are shaded green

\*ground covers are shaded tan

## SMALLER SHRUBS--MORE COMMONLY AVAILABLE (1<sup>st</sup> of 3 Shrub Lists)

SCIENTIFIC NAME	COMMON NAME
<a href="#"><u><i>Callicarpa americana</i></u></a>	American beautyberry
<a href="#"><u><i>Ceanothus americanus</i></u></a>	New Jersey tea
<a href="#"><u><i>Diervilla sessilifolia</i></u></a>	Southern Bush Honeysuckle
<a href="#"><u><i>Hydrangea arborescens</i></u></a>	Smooth Hydrangea
<a href="#"><u><i>Hypericum prolificum</i></u></a>	Shrubby St. Johnswort
<a href="#"><u><i>Leucothoe fontanesiana</i></u></a>	Doghobble
<a href="#"><u><i>Rhododendron viscosum</i></u></a>	Swamp Azalea
<a href="#"><u><i>Rosa carolina</i></u></a>	Carolina Rose
<a href="#"><u><i>Spiraea alba</i></u></a>	Narrowleaf Meadowsweet

<a href="#"><u><i>Spiraea tomentosa</i></u></a>	Steeplebush, Hardhack
<a href="#"><u><i>Viburnum acerifolium</i></u></a>	Maple-leaf viburnum
<a href="#"><u><i>Xanthorhiza simplicissima</i></u></a>	Yellowroot

**TALLER SHRUBS--MORE COMMONLY AVAILABLE (2<sup>nd</sup> of 3 Shrub Lists)**

<b>SCIENTIFIC NAME</b>	<b>COMMON NAME</b>
<a href="#"><u><i>Amelanchier canadensis</i></u></a>	Canadian serviceberry
<a href="#"><u><i>Aronia arbutifolia</i></u></a>	Red Chokeberry
<a href="#"><u><i>Aronia melanocarpa</i></u></a>	Black chokeberry
<a href="#"><u><i>Calycanthus floridus</i></u></a>	Carolina allspice
<a href="#"><u><i>Cephalanthus occidentalis</i></u></a>	Buttonbush
<a href="#"><u><i>Clethra acuminata</i></u></a>	Mountain Pepperbush
<a href="#"><u><i>Corylus americana</i></u></a>	Hazelnut
<a href="#"><u><i>Euonymus americanus</i></u></a>	Hearts-a-bustin
<a href="#"><u><i>Fothergilla major</i></u></a>	Mountain witchalder
<a href="#"><u><i>Hamamelis virginiana</i></u></a>	American witchhazel
<a href="#"><u><i>Ilex verticillata</i></u></a>	Common Winterberry

<a href="#"><u><i>Itea virginica</i></u></a>	<b>Virginia sweetspire</b>
<a href="#"><u><i>Kalmia latifolia</i></u></a>	<b>Mountain Laurel</b>
<a href="#"><u><i>Lindera benzoin</i></u></a>	<b>Spicebush</b>
<a href="#"><u><i>Physocarpus opulifolius</i></u></a>	<b>Common ninebark</b>
<a href="#"><u><i>Rhododendron arborescens</i></u></a>	<b>Sweet/Smooth Azalea</b>
<a href="#"><u><i>Rhododendron calendulaceum</i></u></a>	<b>Flame Azalea</b>
<a href="#"><u><i>Rhododendron periclymenoides</i></u></a>	<b>Pinxter azalea</b>
<a href="#"><u><i>Rhododendron vaseyl</i></u></a>	<b>Pinkshell azalea</b>
<a href="#"><u><i>Rhus aromatica</i></u></a>	<b>Fragrant Sumac</b>
<a href="#"><u><i>Sambucus canadensis</i></u></a>	<b>Common elderberry</b>
<a href="#"><u><i>Vaccinium corymbosum</i></u></a>	<b>Highbush blueberry</b>
<a href="#"><u><i>Viburnum cassinoides</i></u></a>	<b>Witherod Viburnum</b>
<a href="#"><u><i>Viburnum nudum</i></u></a>	<b>Possumhaw holly</b>
<a href="#"><u><i>Viburnum prunifolium</i></u></a>	<b>Smooth Blackhaw</b>

**SMALL & TALL SHRUBS--LESS  
COMMONLY AVAILABLE  
(3<sup>rd</sup> of 3 Shrub Lists)**

<b>SCIENTIFIC NAME</b>	<b>COMMON NAME</b>
<u><i>Alnus serrulata</i></u>	Tag alder
<u><i>Amorpha fruticosa</i></u>	Tall/False indigo-bush
<u><i>Comptonia peregrina</i></u>	Sweetfern
